DETAILED ACTION

Response to Amendment

The Amendment, filed on May25, 2004, has been entered and acknowledged by the Examiner.

Cancellation of claims 33-34 has been entered.

Claims 1-32 are pending in the instant application.

Allowable Subject Matter

Claims 1-32 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically comprising the limitation fixing means configured to bring the contact members into contact with the shadow mask, such that the contact members receive the vibration of the shadow mask and disperse the vibration by impact and friction between the contact members and the shadow mask.

Regarding claims 2-28, claims 2-28 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Regarding claim 29, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 29, and specifically comprising the limitation of a holding member connected to at least one of the plurality of contact members and adapted to hold the plurality of contact members in contact with the shadow mask.

Regarding claim 30, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 30, and specifically comprising the limitation

of a plurality of contact members in contact with a shadow mask and adapted to receive and disperse a vibration, wherein a shape of each of the plurality of contact members is one of spherical, cylindrical, hexahedral, and ring; and a plurality of connecting members. each connecting member disposed between adjacent contact members and adapted to connect the adjacent contact members.

Regarding claim 31, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 31, and specifically comprising the limitation of a plurality of contact members in contact with a shadow mask and adapted to receive and disperse a vibration, wherein at least one of the plurality of contact members is hollow, and a plurality of connecting members, each connecting member disposed between adjacent contact members and adapted to connect the adjacent contact members.

Regarding claim 32, claim 32 is allowable for the reasons given in claim 31 because of its dependency status from claim 31.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
